CUSTOMER ORDER FORM FOR FACTORY ASSEMBLED INSULATED ROOFLIGHTS (FAIRs)

DUE TO MANUFACTURING TOLERANCES WE DO NOT RECOMMEND THAT MORE THAN THREE FAIRS ARE FITTED IN A CONTINUOUS RUN ACROSS THE ROOF WIDTH

All prices include standard 50mm wide filler blocks, wider filler blocks are available at an additional cost. When calculating number of spans required, please consider that all units must have a filler block either end of the unit (this acts as an end closure).

COMPOSITE SYSTEM PROFILE:
