Health, Safety & Environmental Policy

This policy applies to all activities undertaken by Filon Products Limited and impacts upon key suppliers and customers.

We are committed to protecting the Health and Safety of all Stakeholders and to minimise the environmental impact of our operations.

In particular we will achieve this through our commitment to:

- ✓ **Guarantee and protect the health of our employees, visitors, neighbours & public by actively promoting health & safety.**
- ✓ **Comply with all applicable health, safety & environmental legislation and other requirements.**
- ✓ **Review the environmental impact of all activities, whilst endeavouring to reduce our overall environmental impact and prevent pollution by using best practice.**
- ✓ **Setting & continuously reviewing health, safety & environmental aspects/impacts and objectives plan.**
- ✓ **Involve all employees in our health, safety & environmental programme and provide the necessary resources, training and guidance to enable them to discharge their responsibilities.**
- ✓ **Sustain a programme of continual improvement in health, safety & environmental performance incorporating suitable measurement and monitoring.**
- ✓ **Engage in dialogue with key suppliers in order to encourage them in the development of environmental best practice.**
